Winterization 2017

With cooler weather quickly approaching, we are proud to present our winterization and maintenance program for 2017.

This is the perfect opportunity to have your yearly maintenance completed and at the same time have your boat protected from the damaging elements of Winter.

Please review the information below to insure your boat is serviced the way you like.

1. Please take the time to complete this menu so we are aware of what you would like done to your boat. We won't perform any work unless authorized.
2. If you would like to store your boat in addition to winterizing it, please complete our Winter Storage Menu also.
3. Please let us know when you are done using your boat. We would like to schedule your service as soon as possible to minimize the risk of storms or cold if you are not using the boat. **Your boat must arrive for service prior to 12/21/17.**
4. Please be aware that we have limited space and resources available. Work will be scheduled on a "first come - first served" basis.
5. Please be aware that payment for services rendered is due upon completion of the services. Any past due accounts must be settled prior to scheduling service. If you have any questions, please contact our service department prior to scheduling.
6. Your signature is required on this and all work orders. We are obligated by the New Jersey Fair Water Craft Act to have a signed work order prior to performing work on your boat.
7. Please call for your confirmation number after faxing a completed form to us to insure we received it.
8. Lastly, and most importantly, please let us know how we may help you.

Please do not hesitate to let us know if you have any questions or concerns.

Your satisfaction is our number one goal!!

Boat Model _____
Boat Name _____
Date I am done with the boat: ____ / ____ / ____

Terms and Conditions

- 1. All boats must be picked up within one week of completed work notification or Waterfront will consider the boat here for the winter and charge winter storage accordingly. All boats must be removed from winter storage by 6/1/17 or will incur a fee of \$20 @ day for storage. Waterfront reserves the right to transport and re-block at additional charge.
- 2. Our winterization process is to protect the boat from freezing for a season. Please communicate to us if you require longer term protection.
- 3. Waterfront cannot be held responsible for freeze damage - boats are completed on a "first come - first served" basis. Waterfront cannot be responsible for freeze damage for boats not winterized prior to the first freeze or 11/20/17 (whichever comes first).
- 4. Outside vendors are not permitted without prior written consent from Waterfront Marine. Owners are limited to cosmetic upkeep due to increasingly challenging environmental and insurance constraints.
- 5. Owner agrees to maintain appropriate insurance to protect against fire, wind storm, snow storm, ice storm, collision, hurricane, liability, fire, theft, freeze damage, vandalism, or any other loss. Waterfront Marine is not any way an insurer of the owners property, family, guests, or invites. Waterfront is not liable for injury, loss of life, property damage or loss of use.
- 6. Waterfront is not responsible for damage to structurally unsound craft.
- 7. Personal belongings must be removed prior to service as Waterfront is not responsible for loss, theft or damage of any personal property, accessories, electronics, canvas, tackle, furniture, supplies, or valuables left aboard.
- 8. In the event of litigation, all fees are the responsibility of the boat owner.
- 9. All prior outstanding balances must be paid prior to work being performed. Payment is due at time of service rendered
- 10. By signing, I understand and agree to all the terms listed herein.

Boat Systems

- Drain & Winterize fresh water system (Pick One)
 - Boats **without** water heaters \$125
 - Boats **with** water heaters \$150
- Winterize Air Conditioner \$80
- Winterize raw water wash down / Livewell @ \$ 80
- Winterize head system (please have tank empty) \$ 80
- Disconnect Battery & leave in boat \$15 @ battery
- Remove battery for customer pickup \$25 @ battery

Fuel

Although we sell ValvTect Fuel (the best fuel available), we still strongly recommend treatment for the winter lay up period to combat the harmful effects of ethanol fuel.
 Stabilize existing fuel in boat \$.40 @ gallon

Fuel Filters

(Recommended at least twice a year - (time & materials))

- Replace fuel filter mounted in Boat
- Replace fuel filter on Motor

Please note:

All pricing is labor only - parts additional Motors

Sterndrive / Inboard Motors To include fresh water flush of motor, engine oil and filter change, running antifreeze thru the motor for freeze protection and corrosion resistance, running with winterization mix to coat internal components, visual inspection of motor, grease any applicable points and spray with anti corrosion spray to protect external parts.

- Each Motor \$230

Sterndrive (Lower unit) Service To include removal of drive, confirm proper engine alignment, inspect bellows, drain gear lube and pressure check drive, refill with oil and new gaskets, remove prop - inspect & grease shaft, check universal joint and gimbal bearing, clean and inspect shift mechanism, and re-install with new gaskets.

- Price per drive \$195
- Volvo XDP Drive \$275

Outboard Motors - 4 Stroke To include fresh water flush of motor, engine oil and filter change, drain and pressure check lower unit, refill with gear oil, remove prop and inspect and grease shaft, run with winterization mix to coat internal components, visual inspection of motor, grease any applicable points and spray with anti corrosion spray to protect external parts, and check trim and tilt motor.

- 4 & 6 Cylinder \$240
- 8 Cylinder \$320

Outboard Motors - 2 Stroke To include fresh water flush of motor, compression check of motor, drain and pressure check lower unit, refill with gear oil, remove prop and inspect and grease shaft, run with winterization mix to coat internal components, visual inspection of motor, grease any applicable points and spray with anti corrosion spray to protect external parts, and check trim and tilt motor.

- 2 Stroke Motor \$240

Generator- To include fresh water flush of motor, drain and replace oil and filter, visual inspection of motor, grease any applicable points and spray with anti corrosion spray to protect external parts, checking antifreeze in closed cooling system, and running antifreeze thru the motor for freeze protection and corrosion resistance.

- Price upon request

"Single Check Service" - Check here to have your boat hauled, washed, serviced, winterized, wrapped, and stored.

I do not wish to winterize and store my boat this season. Please have your sales department contact me about a trade-in and Spring delivery of a new boat.
