Spring Commissioning 2023

With Spring quickly approaching, we are excited to announce that we are now taking reservations for Spring Launches.

Please review the information below to insure your boat is complete when you would like it:

1. Please take the time to complete this sheet so we are aware of what you would like done to your boat.
2. Please choose three dates that you would like to receive your boat. **We will schedule launches on a first come - first served basis.** If your preferred date is already booked to capacity, we will attempt to schedule your launch on your next available preference. **Please complete and return this form as soon as possible to insure you get your first choice of dates.**
3. **You may fax or e-mail the completed form to Service.SP@Waterfrontmarine.com**
4. Please be aware that payment for services rendered is due upon completion of services. **Any past due accounts must be settled prior to scheduling service. If you have any questions, please contact our service department.**
5. Please be prepared to pick your boat up when scheduled to do so. We will make every effort to make sure it is 100% ready for you. Please understand that if you are requesting a detail, we will work to complete the work as closely as possible to your pick up date. We are not responsible if your pick up is delayed due to weather.
6. Your signature is required on this and all work orders. We are obligated by the New Jersey Fair Water Craft Act to have a signed work order prior to performing work on your boat.
7. Lastly, and most importantly, please let us know how we may help you. It is our goal to deliver your boat to you in exactly the condition you are expecting it. **Please do not hesitate to let us know if you have any questions or concerns.**

Your satisfaction is our #1 goal!!

Additional Requests

Please contact me ~ I would like to hear about upgrading to a New Boat.

Note: If picking up by trailer, please always ensure your drain plug is installed prior to launching! Waterfront typically removes drain plugs for all boats on land so they don't retain rainwater.

Please save the completed form and return by e-mail to service.sp@waterfrontmarine.com
