Winterization 2023

With cooler weather quickly approaching, we are proud to present our winterization and maintenance program for 2023.

This is the perfect opportunity to have your yearly maintenance completed and at the same time have your boat protected from the damaging elements of Winter.

Please review the information below to insure your boat is serviced the way you like.

- Please take the time to complete this menu so we are aware of what you would like done to your boat. We won't perform any work unless authorized.
- 2. If you would like to store your boat in addition to winterizing it, please complete our Winter Storage Menu also.
- Please let us know when you are done using your boat. We would like to schedule your service as soon as possible to minimize the risk of storms or cold if you are not using the boat. Your boat must arrive for service prior to 12/16/23.
- Please be aware that we have limited space and resources available. Work will be scheduled on a "first come – first served" basis.
- Please be aware that payment for services rendered is due upon completion of the services. Any past due accounts must be settled prior to scheduling service. If you have any questions, please contact our service department prior to scheduling.
- Your signature is required on this and all work orders. We are obligated to have a signed work order prior to performing work on your boat.
- 7. Please call for your confirmation number after faxing a completed form to us to insure we received it.
- Lastly, and most importantly, please let us know how we may help you.

Please do not hesitate to let us know if you have any questions or concerns.

Your satisfaction is our #1 goal!!
